Youth spend an average  
of only seven minutes  
per day outside...  
you can help!

In 2016, the Greater Arkansas River Nature Association inspired over 700 youth in Salida, Buena Vista and Leadville by providing environmental opportunities in public schools, summer camps and after school programming. Your membership and donations will allow us to double that number in 2017. Youth programs are just one way that GARNA fosters stewardship of the natural, cultural and historical resources of the region.
