Presented by Greater Arkansas River Nature Association

Sponsorship Opportunities

GARNA is pleased to bring Mountainfilm on Tour to the Upper Arkansas River Valley on March 26, 2026 at the Salida Steamplant. Featuring a diverse lineup of films from around the world, the Mountainfilm increases awareness of environmental issues, highlights adventure and inspires people to get outside and do awesome things!

Sponsors of the Mountainfilm on Tour gain significant visibility before and during the event. Sponsors also help support GARNA to inspire a conservation ethic in those who live, work and play in the Upper Arkansas Valley.

In addition to monetary sponsorship, we are also collecting swag for intermission door prizes and sponsorships can be a combination of the two.
