# BE A LEGACY CREATOR

**GARNA Corporate Sponsorship Program**

SHOW YOU LOVE

... **NATURE** ...

Join the community working to protect our public lands, rivers, trails, and wildlife.

GARNA's work reaches **1 in every 6 valley residents** every year with nature-based programs engaging over 3,000 youth and adults, and over 300 volunteers.

Our volunteers give over **1500 hours** of their time every year to take care of our public lands and remove over **10,000 pounds** of ash & trash annually.

GARNA's **field trips and camps** for children and pre-teens serve over **1000 families** and create loyal, life-long relationships.

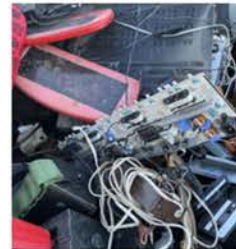

Our **portapotty on public lands** program keeps tens of thousands of gallons of waste out of the forest and river through **31 units** placed on public lands.

**We're asking for your support to sustain and grow our valley-wide impacts to inspire generations of those who care for our natural environment.**
